

FPHP Checklist – **Removing Fill** in Type S or F Water:

Forester: _____

WDFW Biologist: _____

- ☐ **FP Activity or Vicinity Map; including:**
 - ☐ North arrow [A1]
 - ☐ Waters
 - ☐ Road identifier [A5]
 - ☐ Project location marked
 - ☐ Waste areas identified

- ☐ **Information required for all drawings:**
 - ☐ Legible
 - ☐ Graphical scale bars [B1]
 - ☐ Title block for each page to include:
 - ☐ Drawing title [B5]
 - ☐ Landowner name [B10]
 - ☐ Section, Township and Range [B15]
 - ☐ Drawing date and revision date [B20,B25]
 - ☐ Latitude and longitude [B30]
 - ☐ Page number (X of total) [B35]

- ☐ **Road Profile; including:**
 - ☐ Horizontal axis labeled with stations (1+00) or consistent intervals (such as 100') [D1]
 - ☐ Vertical axis labeled with elevations [D5]
 - ☐ Existing structures and dimensions [D10]
 - ☐ Label surfaces; Existing ground and finished ground [D15,D20]
 - ☐ Estimated natural channel section:
 - ☐ Natural ground surface labeled [D25]
 - ☐ Bankfull depth [D30]
 - ☐ Flood prone width dimension line, if applicable [D35]
 - ☐ Proposed channel section, including:
 - ☐ Channel bed width (CBW) dimension line [D40]
 - ☐ Finished slope angles labeled in X horizontal: 1 vertical [D45]

- ☐ **Site Plan; including:**
 - ☐ North arrow [A1]
 - ☐ Channel survey upstream and downstream 20 x channel bed width (CBW) (min. 150' up and down) [C5]
 - ☐ Road and stream alignment [C10,C15]
 - ☐ Stream flow direction symbol [C30]
 - ☐ Existing structures with dimensions [C35]
 - ☐ Road drainage plan (culvert removals, waterbars, etc.) [C45]

- ☐ **Channel Profile; including:**
 - ☐ Horizontal axis labeled with stations (1+00) or consistent intervals (such as 100') [E1]
 - ☐ Vertical axis labeled with elevations [E5]
 - ☐ Existing structures [E10]
 - ☐ Channel survey upstream and downstream 20 x CBW (min. 150' up and down) [E35]
 - ☐ Label all channel beds: existing, finished, and expected future regrade [E15,E20,E25]
 - ☐ Finished and expected channel profiles labeled in percent slope [E30]
 - ☐ Station and elevation labels for:
 - ☐ Finished excavation limits [E40]
 - ☐ Expected future regraded channel bed limits [E45]

Notes & Comments:
